Características técnicas

	Tube diameter Diametro tubo Rohrdurchmesser Diamètre du tube Diámetro del tubo
	Adjustment in mm Regolazione in mm Verstellbereich in mm Réglage en mm Regulación en mm
	Allen key Chiave di regolazione esagonale Innensechskantschlüssel Clé Allen Llave Allen
	Special key Chiave di regolazione speciale Spezialschlüssel Clé spéciale Llave especial
	Nominal loading capacity Carico massimo ammesso Nennbelastbarkeit Charge maximale admissible Carga máxima admitida
	Lifting capacity Carico sollevabile Kraftaufwand zum Anheben des Korpus Capacité de levage Peso elevable
	One-piece steel tube and socket Tubo in acciaio con attacco integrato Stahlrohr und Aufnahme aus einem Stück Tube en acier, platine soudée Tubo de acero de una pieza y cabeza
	Components in ABS Componenti in ABS Komponente aus ABS Composants en ABS Componentes en ABS
	Components in steel Componenti in acciaio Komponente aus Stahl Composants en acier Componentes en acero
	Components in polyamide 6 Componenti in poliammide 6 Komponente aus Polyamid 6 Composants en polyamide 6 Componentes en poliamida 6

	Components in polypropylene Componenti in polipropilene Komponente aus Polypropylen Composants en polypropylène Componentes en polipropileno
	Components in zamak Componenti in zama Komponente aus Zamak Composants en zamak Componentes en zamak
	Tested by CTBA, France Articolo testato da CTBA, Francia Artikel von CTBA, Frankreich getestet Produit testé par le CTBA, France Testado por CTBA, Francia
	Tested by LGA, Germany Articolo testato da LGA, Germania Artikel von LGA, Deutschland getestet Produit testé par le LGA, Allemagne Testado por LGA, Alemania
	Adjustment by electric screwdriver Regolabile con avvitatore Mit Akkuschauber verstellbar Réglage possible par visseuse Ajuste con atornillador eléctrico
	Recommended screw Vite consigliata Empfohlene Schraube Vis conseillée Tornillo recomendado

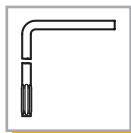

Compatibility

Kompatibilität

Compatibilité

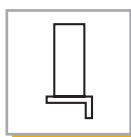

Compatibilidad

Compatible keys
Chiavi compatibili
Kompatible Schlüssel
Clés compatibles
Llaves compatibles

Compatible bolts
Viti compatibili
Kompatible Schrauben
Boulons compatibles
Tornillos compatibles

Compatible spacers
Distanziali compatibili
Kompatible Distanzstücke
Rehausses compatibles
Separadores compatibles

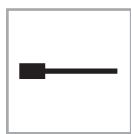

Compatible clips
Ganci compatibili
Kompatible Klammern
Clips compatibles
Ganchos compatibles

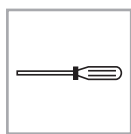

Compatible drilling templates
Dime di foratura compatibili
Kompatible Bohrschablonen
Gabarits de pose compatibles
Plantillas de taladro compatibles

Compatible caps
Tappini compatibili
Kompatible Kappen
Patins compatibles
Tapones compatibles

Compatible shaft extensions
Aste di rinvio compatibili
Kompatible Verstelladapter
Tiges de renvoi compatibles
Barras de reenvío compatibles

Compatible screwdrivers
Cacciaviti compatibili
Kompatible Schraubendreher
Tournevis compatibles
Destornilladores compatibles
